

Paving Our Path for the Next Fifty Years...

St. Cecilia Elementary School will be creating a brick walkway area that will include engraved brick pavers. The new brick path will be located along the walkway leading to the front doors of the school and is a lasting tribute to the students, parents, alumni, faculty, staff and parishioners of St. Cecilia School and Parish. Purchase a brick along the walkway to commemorate your years at St. Cecilia.

We Need Your Support! Please consider making a gift that will become a lasting part of the school. Proceeds from the walkway will support the programs at St. Cecilia.

Don't Miss Out! You can choose to list your name, honor a student or family member, promote your company, or show your family support.

The Cost! The cost of each engraved brick is \$60 for two lines and \$85 for three lines. This price includes engraving of up to 13 characters per line (including spaces and punctuation).

The Plan! We will be taking the first 300 orders BEFORE the bricks are turned in for etching. The plan is to do the paving when the front driveway is renovated this Fall.

Subsequent orders will be submitted quarterly and take four to six weeks for delivery. We will have the landscaper come back out (after the initial batch) and replace existing bricks with newly printed ones.

Questions ??? Please contact Mrs. Moretti at mmoretti@cducation.org or 614-878-3555.

SAMPLE BRICKS

The engraving of the brick will last indefinitely but due to weathering and products put on walking surfaces, the letters may lose some visibility with normal wear/weathering after five-ten years.

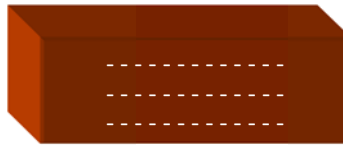

Whatever the message, your brick represents *a unique memory to be cherished for years to come.*

Unlike other fundraising projects, an engraved brick paver is timeless.

Thank you for your support!
